The 1920's

was our Homecoming Theme this year. Homecoming week started off by having a cotton candy and carnation sale, and a pie eating contest. During our Homecoming assembly, the Cheerleaders performed as machomen, and the football players as cheerleaders. Our Dance Rep class did a dance called the Charleston. During 1st assembly the spirit dog went to the Sophomores, and during 2nd assemly it went to the Juniors. The Saints went up against the Tustin Tillers and won a victory 9-7. After the game, the Saints celebrated by having a homecoming dance in the Boys Gym. The band that played was Zzazzo.

Dracula

Producing an adaption of Bram Stoker's original tale of terror was a challenge both dramatically and techinically; the stage crew and actors gained a new mutual respect. When the final curtain fell, all agreed that it had been a "grave", but "biting" experience.

Boys' State

Boys' State is a week long seminar designed to give young people a practical understanding of the way government operates at all levels. It is held during June at Cal State University Sacramento where over 925 people gather from all over California to learn more about our government.

Upon arrival, each person was given campaign materials, a bar exam which entitles you to become a practicing attorney (at Boys State) and 100 Philo bucks (the legal currency). Each person was also given the chance to run for offices at the local or state level or for party offices. I was elected Party Secretary of the 450+ member Whig Party and was in charge of writing the party platform. I was also chosen as an Alternate to Boys State Nation which was held in Washington, D.C.

Boys' State was a fantastic learning experience, because one learns by doing. I would certainly recommend it for any student who is interested in learning more about our form of government.

Girls' State

Meeting new people, learning the functions and importance of democracy, and gaining a renewed appreciation for being a citizen of the United States were all a part of my unique experience at Girls' State. It was sponsored by the American Legion and held at California State University at Sacramento.

At Girls' State, we set up city, county, and state governments. Elections were held on all levels. I was elected Chairman of the Board of County Supervisors. We worked together to draft laws for our County.

However, Girls' State was definitely not all work and no play. Many fun activities were planned throughout the week. One of the most exciting parts for me was all the special friends I made. Girls' State gave me an opportunity to learn by doing in a dynamic and memorable way.

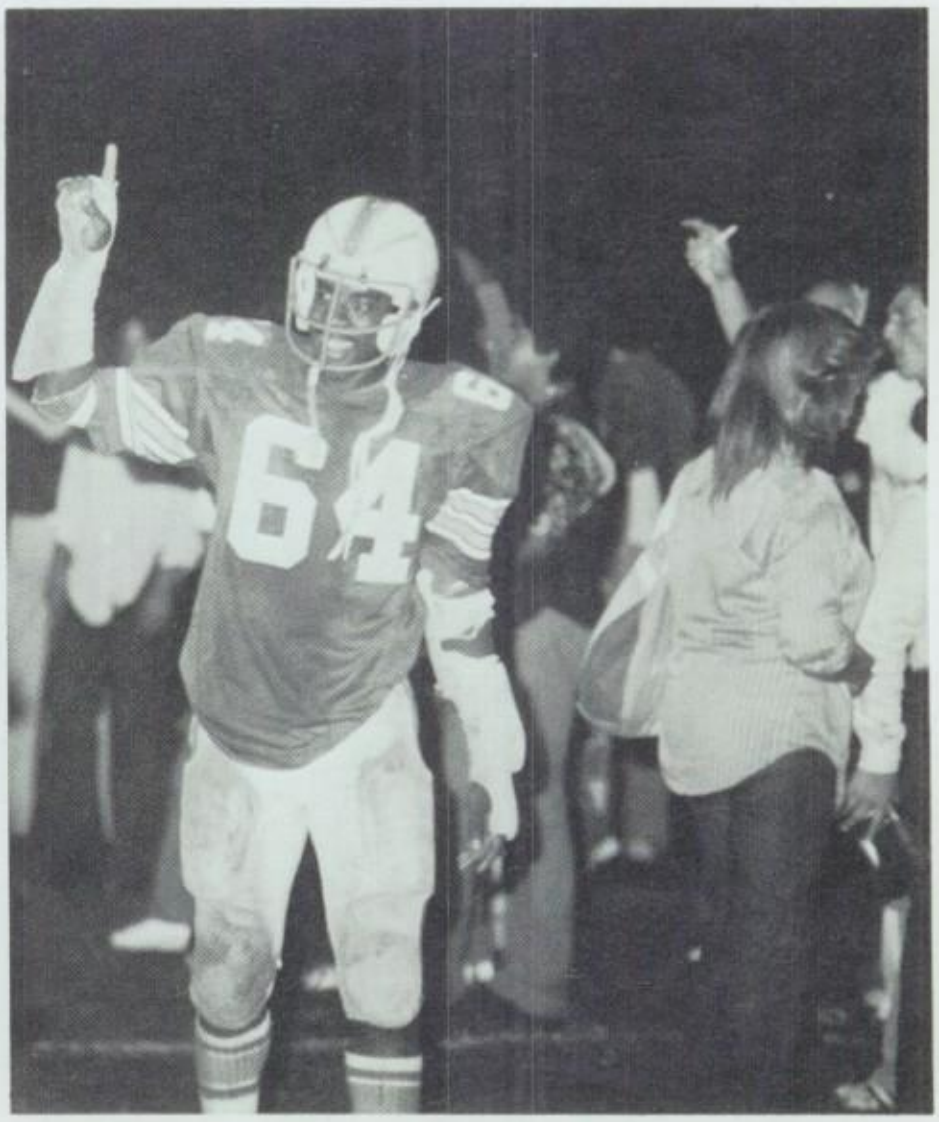
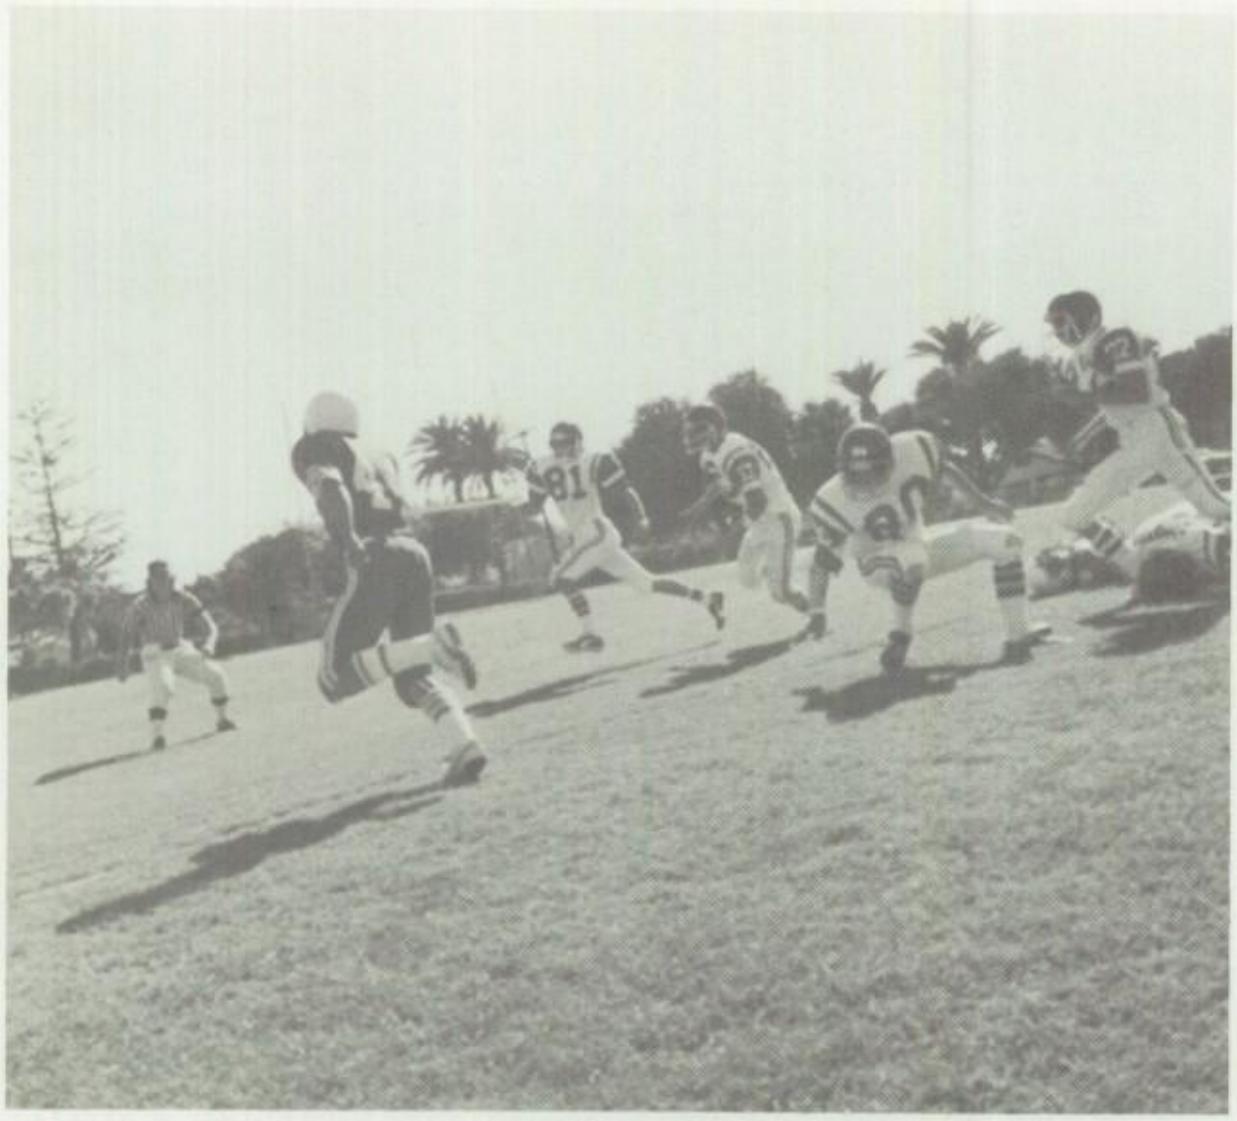
The greatest accomplishment of the 1978 "Comeback" Saints was the restoration of pride and the winning attitude. After two years of total drought the 4-4 and 1 season taught us that we could win! As competitive individuals we tend to let the agonizing heartache of defeat outweigh the apparent successes. However we did have many successes. Perhaps the most over looked one will be the magnificant way in which each of the players responded to the teachings of sportsmanship and attitude. On the more tangent side was the thrill of winning the first homecoming inin a long time. Even though the Saints missed the playoffs by half a game they truely cameback.





Hard Work & Determination

This year the sophomore football team overcame many obsticles. Not only were they small in size and numbers, they also lacked coaches up until 4 days before the first game. Consequently, the team suffered loses in their first seven games, only being highlighted by a tremendous effort losing to Tustin 21-20. Through the year, the team improved dramatically and was respected throughout the league for the Saint's never say die attitude. The Varsity team of next year will benefit greatly by the class of 81.

Soph-Frosh Water Polo

Young and inexperienced is the common phrase used when talking abou a Santa Ana High water polo team. For Santa Ana High doesn't have swim programs for the Prehigh school youths, as do swim powers like Villa Park, Foothill, and many other schools. However, even against these odds this year, the Soph-Frosh team gave many of those powers a swim for their money. The team attributes this success to many long and dedicated mornings in the pool and weight room, and between two and three hours after school. This years Soph-Frosh team had a slow start, but with talented efforts from starters Steve Stone, John Ward, Gregg Klingaman, and goalie Jon Talbert, the Saints improved their standings greatly.

The Saint 1978 Cross Country team was a small spirited, group of young men. Made up mostly of freshmen and sophomores. The team was surpresing in its ability. Led by Gus Vincent, Steve King, George Barragan, the team was very strong as a frsoh-soph entry in our league and county wide competition. The Saints won the Orange County Championship INVIT. With these fine competitors things will be improving for SAHS CC.

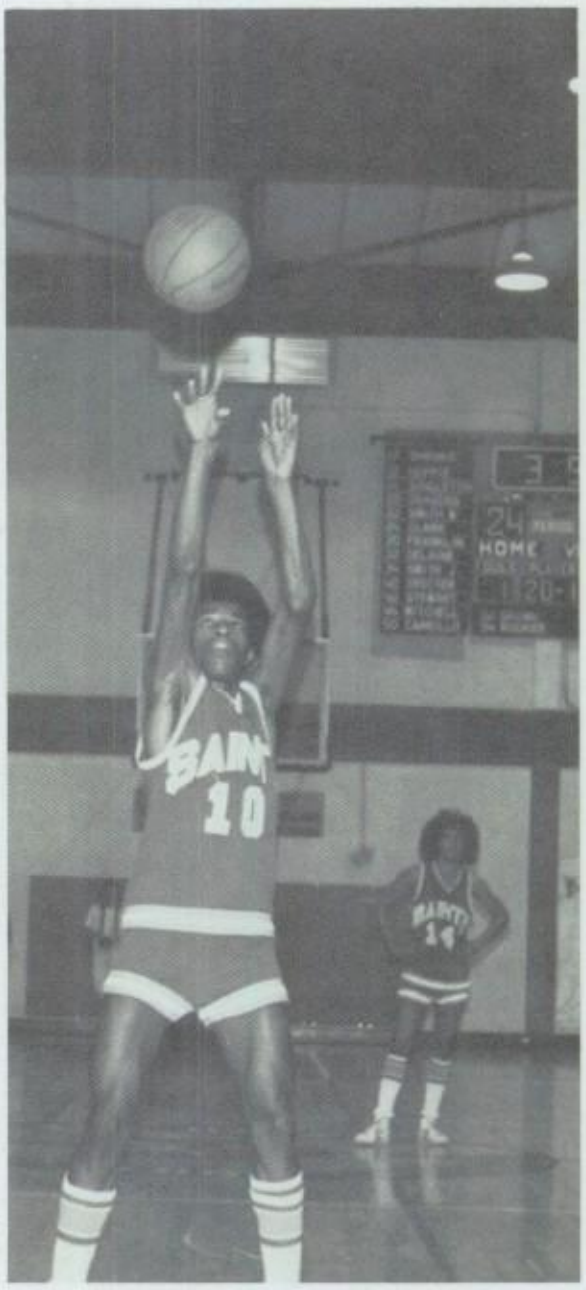
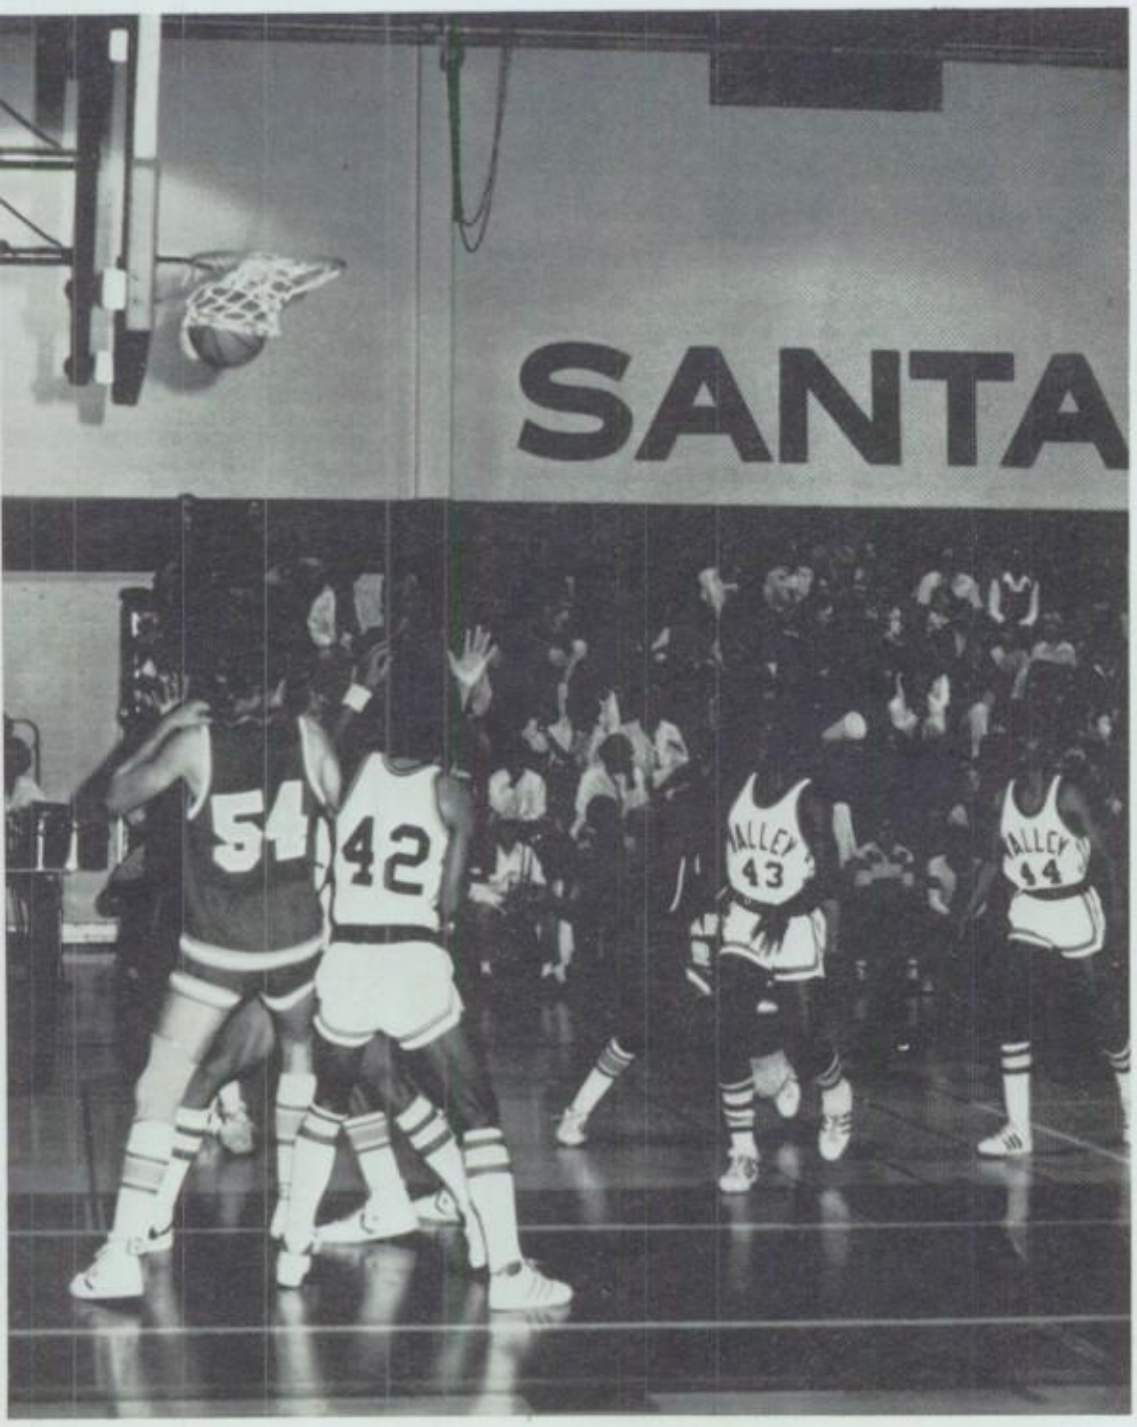
Varsity Basketball

The 1978-79 Varsity Basketball season was the most successfull in recent Saint history. It was highlighted by the Fact that the Saints won their first ever Century League Championship. This was Santa Ana's first League Championship in Basketball since 1962. The Saints also entered the C.I.F. playoffs in Basketball for the third straight year. Santa Ana was lead by 3 returning starters from last years squad, Herman Brown, Sal Shanks, and David Singleton, and as expected, they provided the spark needed for this years successful season.



Saints Of Games

Sal Shanks, Joe Trotter, David Singleton, Kurt Mitchell, Brian Hoppie, Ron Rooker, Not pictured: Herman Brown, Willie Clark.



The season was filled with many exciting and action-packed games which drew Saint supporters to their feet, cheering. Who could forget defeating Valley 59-51, the last second win over Villa Park 57-55 and of course, the most exciting game of all the "must" win over Orange 54-46!! Then the C.I.F. playoffs where the Saints defeated a fine team from Hacienda Heights Wilson 54-42. And when the Saints came up against the #1 ranked team in the entire C.I.F. and gave them a battle before eventually bowing 63-54. The fine season record was achieved by team play, certain individuals did stand out. Herman Brown was named player of the year in the Century league and was honored on the All-Orange county team. Sal Shanks was also named to the All-Century League Team. David Singleton led the team in Assists, was the second leading rebounder and led the team in minutes played. Joe Trotter was outstanding at the defensive end of the court and Willie Clark was the teams third leading rebounder. With the winning tradition that has been established by the 1979 squad, Saint fans can only look optomistically towards the future.

J.V. Basketball

The Saint Junior Varsity Basketball team completed the 1978-79 season with a very respectable 14-8 record. The J.V. placed fourth (8-6) in the Century League behind Foothill, Tustin, and Orange. The Saints were led by the outside shooting and ball handling of Benji Carrillo and by the rebounding and inside shooting of Ron Rooker. Also providing valuable assistance to the team success were Rick Stewart, Scott Franklin, Fred Delaine, Vince Lee, and Ismael Valverde.

Freshman Basketball

The Freshman Basketball Team enjoyed a very successful year, finishing with a record of 15 wins and only 6 losses. With this record they finished in second place in the tough Century League. Both their coaches agree that the key to the frosh success was their ability to develop and play together as a team. Perhaps the highlight of the season occured with the playing of the traditional first annual frosh Homecoming game, in which, the little saints defeated their opponents, much to the delight of their highly partisan supporters. Key individuals throughout the season were Eddie Morris, Yale Riley, Sal Falcon, Steve Matney, Mark Vincent and Jon Ward.

Sophomore Basketball

The Sophomore Basketball Team had a roller coaster season. They would win 3 then lose 3 or lose 4 then win 4. Most of the games were close until the second half. Due to the teams lack of concentration the second half was the teams downfall. All in all the team had a fairly decent season with a good overall team talent. Major contributors were the entire team. The leaders were Scott Bass, Dan Grimes, and Edward Morris. A strong competitor was Jesus Tovar and late in the season, after months of negotiation, the aquistion of Jesus Zamora helped the team tremendously.

At the Bellflower 16 Team Tournament Elias Amaya and Joe Casas won top honors by being selected the outstanding wrestlers. At Dana Hills Rick Nolette and Elias Amaya came out champions. The Saints surprised the league by tying El Modena for second place in the tough Century League Tournament where again Elias Amaya and Rick Nolette won league. The team was able led by seniors Phil Amaya, Sam Chairez and Captain Joe Casas.

Varsity Volleyball Goes CIF

Coach Kim Pickering's Saints walked away with their second straight Century League Volleyball title (12-2) by defeating Villa Park at home in the last match of the season.

The Saints started the season off right by winning ten games in a row, thus getting CIF's number one ranking. Among those victories was a big win over highly ranked Mater Dei, and pounding their way to the Palm Spring tournament title. The Saints also took third place at the Los Amigos tournament, out of ten top ranked teams.

The Saints were led this year by, Senior, Becky Bonsall (Century League Player of the Year and all CIF selection) and, Junior, Lisa Pickering (all CIF, first team all selection, alltournament selection at both Palm Springs and Los Amigos).

In route to the finals the Saints eliminated Nogales, Rolling Hills, number one ranked Los Altos, number three ranked La Mirada before being downed by Gahr, in a thrilling and a close third game.

Varsity Field Hockey

This has been an exciting and successful year for the Varsity Field Hockey team remained in contention for the C.I.F. playoffs until the final game of the season. A tie with Villa Park ended the dream but left high expectations for next year. The team started out with only three returning members and many new inexperienced players working hard to develop their basic techniques and become familiar with new positions. Leadership and experience were provided by Co-Captains Kim Jameson and Tina Avila. Many hard fought, close games were saved by goalkeeper, Carol Henson. Century League Coaches selected Tina Avila for All-Century League First Team, and Kim Jameson for Second Team.

Make new friends, but keep the old;
Those are silver, these are gold.
New-made friendships, like the wine,
Age will mellow and refine.
Friendships that have stood the test
Time and change-are surely best;
Brow may wrinkle, hair grow gray;
Friendship never knows decay.
For 'mid old friends, tried and true,
Once more we reach and youth renew
But old friends, alas! may die;
New friends must their place supply
Cherish friendships in your breast
New is good, but old is best;
Make new friends, but keep the old;
Those are silver, these are gold.

"Freshmen Ready To Go"

The Freshman got off to a slow start but now seem ready to go! Getting accustomed to new surroundings and meeting new people. They felt hesitant at first during the assemblies but soon showed great pride for their school. Freshmen weren't active at the beginning of the school year, but later participated in school activities. Class of 82' alright!!

Moments To Remember . . .

These were the moments to remember. Summer vacation was gone and the start of another school year was here again. The school year started off with the traditional toilet-papering of the school, courtesy of the Class of '79.

Freshly painted walls, Mrs. Lucero, the new vice principle, RAP, and the new disco styles (along with a touch of the '40's), were all a part of the school year.

Moments To Remember . . .

And this was a year to remember in sports. Under the direction of new coach Meiss, our football team finally found victory after two years.

Once again the Girl's Varsity Volleyball team and our Basketball team went to CIF.

During Homecoming week, we had a pie-eating contest. Then came the crowning of a new queen, Sabrina Garza, along with her court Suzette Canchola, Hilda Sotelo, and Lynette Davis.

It was a time to have new walls put into our Social Science Building. It was kind of noisy there for a while, but it was worth it.

Moments To Remember . . .

This was a year for many new activities. First of all, the Cutest Guy on Campus Contest. Tino Rivera, Harvey Espinosa, Rupert Vega, and Sam Sandoval were all chosen as the cutest guys. Then came the Dating Game. Girls from Canyon High came to get dates with our guys. The students really enjoyed having one of these here at school.

For the very first time in history, the Freshmen class had a Homecoming Day of their own. Those little freshmen found victory by defeating their opponents.

Can you believe, Hail in Santa Ana?? Well, it's true. We had quite a storm with big chunks of ice on the ground.

Well, there were many things that happened for the first time! We will have these memories in our hearts to stay.

Moments To Remember . . .

As another year rolls around the students of today will be the leaders of tomorrow. Seniors making plans on whether to go to college or to find a full-time job.

Seniors had one more chance to be together at the Senior Picnic. Then came to day for the Class of '79 to finally graduate! All the fun times with friends here at SAHS will all be the moments to remember.

Lisa,
You're very nice
and pretty girl I
met since the 6th
grade. Hope to see
you next year and
take care. Good luck
in the future.
Your Friend
Love Josie James

Lisa,
Hope you have
fun in the summer
and next year.
Hope to see you next
year even though I
won't be at S.A.H.S.
See ya around.
Love

I'm glad I got the
chance to meet you
this year. I hope
I have you in another
class next year. Take
care. God bless you.
(Have fun in the
summer and good
luck in the future)

To Lisa,
a very cute and
nice friend I knew
since last year.
I like you very
much and don't
change, stay
cute and sweet.
Love,
Tobias

P.S. I hope you don't have to go to summer school.

God Bless you
Forever,

Lisa,
well there it is
another year gone by and
more memories to think
back on. It's been real fun this
year. We'll be sophmores next year,
and the next juniors and finally seniors.
But we got to wait quite a while and
we've known each other for quite a while
we've been through alot! I will
have lots of fun w/ you. What else trying to
will good luck always and see you during
the summer & next year.
Stay It Wacho! Love
Friends always
